Annexure A: Information pertaining to S18A donations

What is considered a *bona fide* donation for S18A purposes?

A *bona fide* donation is a voluntary, gratuitous gift disposed of by the donor out of liberality or generosity, where the donee is enriched and the donor impoverished. There may be no *quid pro quo*, no reciprocal obligations and no personal benefit for the donor. If the donee gives any consideration at all it is not a donation. The donor may not impose conditions which could enable him or any connected person in relation to himself to derive some direct or indirect benefit from the application of the donation.

Examples of what does **NOT** constitute a *bona fide* donation for purposes of section 18A?

1. Donation of services rendered such as a professional person renders a skill free of charge.
2. An amount paid for attending a fundraising dinner, dance or charity golf day.
3. The amount paid for the successful bid of goods auctioned to raise funds by an organisation and Memorabilia, paintings, etc, donated to be auctioned to raise funds
4. Amounts paid for raffle or lottery tickets.
5. Amounts paid for school fees, entrance fees for school admittance or compulsory school levies.
6. Value of free rent, water and electricity provided by a lessor to the lessee which is an approved PBO.
7. Payments in respect of debt due
8. Any distribution, contribution or donation made to an approved PBO for the purposes of BBBEE advancement (i.e. the donor and/or a related entity receives benefits in the form of BBBEE points by virtue of donating to a PBO).
9. Any distribution, contribution or donation made to an approved PBO for the purposes of complying with obligatory industry regulations (e.g. an entity in the energy sector is compelled by contractual agreement and/or industry regulation to contribute towards community development, in order to obtain or retain business with government).
